Tragic Accident Takes Life of Black Dog Rider

Well known Geraldton local Don Jupp was involved in a fatal traffic accident on Sunday 17th March, just outside of Greenough, WA.

“Don, better known as Juppy, was a rider all his life. Black Dog Ride was a cause he was passionate about and a cause close to his heart,” said Don’s son Michael. “Those who knew him knew his compassion towards those in need and that he'd always do anything he could to help.”

Black Dog Ride’s Acting Chair Joanne Harrison says, “Whilst the general riding community is close knit, the Black Dog Ride family is particularly so and this tragic loss is felt deeply by us all. Our heartfelt thoughts and condolences go out to Don’s family, friends, and the wider Geraldton community.”
